

ZLS ZIP LINE SEAT INSTALLATION, OPERATING AND MAINTENANCE INSTRUCTIONS

Thank you for purchasing our exciting new ZLS Zip Line Seat. The warnings and instructions that follow are important to the enjoyment and safe play of all Zip Liners. Please review these with them and save for future reference.

WARNING

All of the following precautions should be exercised by adults and included in the ON SITE supervision of children using the ZLS.

LIABILITY RELEASE

ROCK CLIMBING, ROPES COURSE AND ZIP LINES ARE DANGEROUS

Allowing your children, friends, or anyone else's children to ride on a zip line that has not been installed properly, maintained as instructed and inspected for safety is tantamount to endangerment and negligence. Please use common sense and remember that you are responsible for your decisions as well as the outcome. Zip Line Fun and its associates are not responsible for anything that may go wrong with your zip line installation, trees, gear, trolleys, or related components. We are not responsible for any injuries or deaths that occur during the construction or operation of your zip line or any other products. No warranty related to zip lines is expressed or implied by installation tips, construction guides, or by any representative of Zip Line Fun, including warranties of merchantability or fitness. Ensure you educate yourself on the proper installation, maintenance and use of everything related to your zip line or other products. Seek competent local assistance if you are unsure how to work with trees, cable installation or maintenance. All information related to zip lines received from any representative or printed material distributed by Zip Line Fun is only an opinion and shall not be interpreted as expert or professional advice. The customer accepts full responsibility for *any* and all incidents, accidents, injuries, deaths, and property damage that may occur during the building and operating of your zip line or other products. Serious injury and death may occur as a result of improper use of this equipment. **DO NOT** attempt to use this equipment without proper training! Inspect all equipment before each use and destroy any gear that is damaged, worn, or does not pass inspection. Any person using these products is responsible for the proper care and maintenance of these products. **WHEN IN DOUBT, REPLACE IT!** Any person using these products in any manner assumes all risk and responsibility for any damage or injury, including death, dismemberment or worse. Any litigation involving these products will be defended and challenged according to the above release of liability.

ALL USERS SHOULD BE INSTRUCTED:

Please Note: Observing the following statements and warnings reduces the likelihood of serious or fatal injury.

1. **TO** use ZLS **ONLY** after it is properly installed by an adult.
2. **TO** get off ZLS **ONLY** after it has completely stopped and to drop gently to the ground.
3. **NOT TO** bounce, spin, or swing while riding on the ZLS.
4. **THAT** ZLS is designed to be used by one rider at a time, 5 years old to adult, weighing up to 250 pounds.
5. **TO** use ZLS **ONLY** as it is intended.
5. **NOT TO** walk close to, in front of, behind, or between a moving ZLS or any other moving object.
6. **NOT TO** use ZLS without adult supervision.
7. **TO** always begin the ride from a stable platform.
8. **TO** grip the handles firmly with both hands directly overhead before beginning the ride.
10. **TO** dress appropriately with well fitting shoes and no ponchos, scarves or other loose fitting clothing which is potentially hazardous.
11. **NOT TO** use ZLS when the equipment is wet.
12. **TO** remove their bike or other sports helmet before playing on the zip line.

INSTALLATION INSTRUCTIONS:

Step 1:

Open the quick link all the way by holding one end and twisting the link in the middle. Thread the open quick link through the stainless steel seat attachment.

Step 2:

Close the quick link all the way until it cannot be tightened anymore.

Step 3:

To adjust the length of the seat, place one hand on the seat and with the other hand grab the "S" hook and pull up. To shorten the length of the seat grab the "S" hook and with the other hand pull the rope that is attached to the seat up.

**Maintenance:**

1. At the beginning of each season and at least twice monthly during the season treat the rope with a teflon based lubricant.
2. Before each use, check the rope, knots and all connections for evidence of deterioration, excessive wear, fractures, breaks or sharp edges and replace as necessary.
3. Take your Zip Line Seat indoors when the temperature drops below 32 degrees Fahrenheit.
4. When made at prescribed intervals, these precautions will provide for long lasting and safe use of your Zip Line Seat.

Warning: Failure to carry out these checks and inspections could result in a fall and injury.

Disposal:

1. Disassemble and dispose of all playground equipment in such a way that no unreasonable hazards will exist at the time it is discarded.

LIMITED WARRANTY

Adventure Parks warrants to the first consumer purchaser, for a period of one (1) year from the date of purchase, that the Zip Line Seat will be free from defective workmanship and materials, and agrees that it will, at its option, either repair the defect or replace the defective product or part thereof at no charge to the purchaser for parts or for labor.

This warranty does not apply to any product which has been damaged or defaced, which has been subject to misuse, abnormal service or handling, or which has been altered or modified in design, construction, assembly, installation or operation.

In order to enforce the rights under this limited warranty, the purchaser should return the warranty registration card enclosed in the product package and contact Adventure Parks if a problem occurs. In the alternative, the purchaser should have available and submit a proof of purchase to Adventure Parks.

This limited warranty described above is in addition to whatever implied warranties may be granted to purchasers by law. The warranties described above shall be the sole and exclusive remedy available to the purchaser.
